ALL YOU NEED TO KNOW

*as you attend the most remote
Music Festival on the planet*

Eat, drink & sleep

ACCOMMODATION + SLEEPING GEAR

Camping is provided at THE BIG RED BASH in preassembled Tent City with stretcher beds, mattress and chairs included. We are lucky to be located closer to the stage than most campers because of the connections with the Big Red Bash team.

The toilet experience has won awards. Showers are wet ones, preferably purchased from the camping store because they are larger. Buses are provided daily to Birdsville for a real shower. The showers in our accommodation on the night before and after the Bash are some of the best in the outback in the Windorah Hilton and of course we will also experience the Cunnamulla Hot Springs to soak of the dust on the return journey.

The Karrabee team provides your pillows and extra blankets to ensure a warm camping experience. We recommend the quality sleeping bag because we are after all on the edge of the Simpson Desert.

FOOD

Those who walk past our camp will be jealous of the breakfasts and dinners served, all of which are included in your tour. The only meals you purchase are from the food vans at the Bash as we like to support those vendors

Day 1 - Saturday 3 July 2027

Amamoor – Chinchilla—Roma—Mitchell—Morven

The tour departs Amamoor at 6am traveling to Chinchilla and follows the Warrego Way. Lunch is at Dulacca Pub and is the first of many memorable outback pub experiences. We travel through Roma Australian Spa, then stop at Muckadilla Pub for a quick beer. Rebuilt after a fire in 2019, the Mucka Pub is one of the newest pubs in the Outback. We travel on through the Maranoa Country to the Sadleir's Waterhole for the evening meal. Accommodation is at Pick A Box in Morven.

Day 2 - Sunday 4 July 2027

Morven—Charleville—Cooladdi—Quilpie—Windorah

A coffee and quick shopping experience at Gidgee Smith Bags starts the day. Breakfast will be serviced at the Coronas Hotel in Charleville. We will tour the town before heading west to the Fox Trap Hotel at Cooladdi. We will stop to purchase last minute essentials at Quilpie. This is your last chance to purchase alcohol or obtain cash out. As we enter the Barcoo we cross into the Channel Country. Accommodation is at the Windorah Hilton. This is a town full of surprises including the Western Star Hotel.

Day 3 - Monday 5 July 2027

Windorah—Betoota—Birdsville and BIG RED BASH

The tour continue on the Warrego Way further into the Channel Country with some magnificent scenery from Deon's Lookout. At Betoota Pub we don on the baggie hats and play cricket after lunch. Betoota was previously a ghost town but now has a population of 2. Excitement builds as we enter the Diamantina River Basin. There's lots to see along the way as we travel past the Birdsville Race track, over the Diamantina River into Birdsville township for a beer at the Birdsville Pub. After checking out all to see in Birdsville we will drive another 35km drive to Big Red where we can take in the Sunset .

Day 4 to 6 - Tuesday 6 to Thursday 8 July 2027

Birdsville's iconic Big Red Bash kicks off under the open skies of Australia's Simpson Desert. You will meet thousands of people from around Australia, and the world. The concert is definitely off the beaten track – but that's what makes it so special!

Dance to the sounds of the entertainment for the 2026 Bash with Missy Higgins, HooDoo Gurus, The Teskey Brothers, The Living End, Birds of Tokyo, Kate Ceberano, The Whitlams, Jessica Mauboy and many more.

Day 7 - Friday 9 July 2027

Big Red—Birdsville—Betoota—Windorah

The touring party depart Big Red as early as possible and join the procession of vehicles eastward bound. A beer at the Betoota Pub will be an essential part of the return trip and everyone will savour the moment they have a hot shower back at our accommodation, "The Windorah Hilton". Most will do the 300metre walk to the Western Star Hotel that night for a refreshing ale.

Day 8 - Saturday 10 July 2027

Windorah—Eromanga—Noccundra—Eulo—Thargomindah

After departing the Barcoo, the tour visits the very popular Eromanga Natural History Museum to see Australia's largest dinosaur, followed by a drinks stop at the Royal Hotel. This hotel was once the furthestest Cobb and Co Hotel from the sea. Next stop Noccundra is an outback time capule. The only building left is the heritage listed sandstone Noccundra Hotel, and it's an experience you will remember. Travelling east we travel to town of Thargomindah which was devastated by floods in 2025.

Days 9—Sunday 11 July 2027

Thargomindah—Cunnamulla—Bollon—St George

Bring your togs because we are on the Adventure Way to the Cunnamulla Hot Springs. After a relaxing morning we travel east, visiting Cubby Station before entering St George for a curated 5 course experience of small dishes and wine tasting at Riversands Winery. Overnight accommodation and dining is at the Australian Hotel on the banks of the Balonne.

Day 10 Monday 12 July 2027

St George—Moonie—Dalby—Amamoor

The last day is a leisurely drive through the Western Downs to Dalby for lunch at the Russell Hotel and with drop offs along the way.
